

OTE 85-4026

8 November 1985

MEMORANDUM FOR: Acting Associate Director for Administration

VIA: Director of Training and Education

FROM:
Editor, Studies in Intelligence

STAT

SUBJECT: Authorization to Use Photograph in Studies

1. The Printing and Photography Division, Office of Logistics, took color photographs of the cornerstone-laying ceremony at Headquarters on Friday, 1 November 1985.

2. A photograph of the ceremony would be an appropriate and useful addition to the Fall 1985 issue of Studies in Intelligence, now in production.

3. The Printing and Photograph Division is awaiting authorization from the Office of the Deputy Director for Administration before "releasing" photographs of the ceremony for reproduction.

4. I have seen proofs of the photographs and have selected one which would be appropriate for Studies. The photograph shows the Vice President, the Director of Central Intelligence, the Deputy Director of Central Intelligence, and the Deputy Director for Administration at the unveiling of the cornerstone for the Headquarters Addition.

5. I request that you authorize the Printing and Photography Division, Office of Logistics, to make the photograph available for color reproduction in the Fall 1985 issue of Studies.
